

Call for Abstracts: 2019 TSL Workshop

Transportation in the sharing economy

July 15 -18, 2019

Vienna, Austria

The 7th TSL Society Workshop will take place July 15 - July 18, 2019 at the University of Vienna. The workshop will be in the building of the Faculty of Business, Economics and Statistics (Oskar-Morgenstern-Platz 1) and is supported by the the Austrian Science Fund. This building is located in the city center with many hotels and tourist attractions in close proximity. A large part of the workshop will take place in the "SkyLounge", which is located on the 12th floor of the building and offers a stunning view over the city center of Vienna.

This time the topic of the workshop is "Transportation in the sharing economy". Sharing economy refers to collaborative consumption. It is typically organized through platforms that facilitate the exchange of goods or services. Given an increasing pressure to act economically and ecologically efficient, mechanisms that help to benefit from idle capacities are on the rise. Both transportation companies and heavy users of transportation services need to learn how to play in a world of shared idle capacities. We anticipate talks on various types of collaborations, crowd delivery, car-sharing, car-pooling, ride-sharing, etc.

We will welcome contributions that address modeling, methodological or game theoretical aspects. Possible topics are (but not limited to):

- Collaborative and cooperative transportation
- Crowd shipping or sourcing
- Car, bike or ride sharing
- Car and bike repositioning
- Car pooling
- Intermodal and multimodal transportation
- Synchromodality and the physical internet
- Business model developments in the sharing economy
- Shared mobility services

INSTRUCTIONS FOR CONTRIBUTORS

Please follow the instruction for submitting your abstract on our website: tslworkshop2019.univie.ac.at

Abstracts should be as complete as possible, not less than 2 pages and not exceeding more than 3 pages. All abstracts must be received electronically on or before January 15, 2019. At least one of the authors must certify that he/she intends to register for and attend the workshop to present the paper if it is accepted. We plan to have a special issue in Transportation Science associated with the workshop.

DEADLINES

Abstract submission: Jan. 15, 2019
Notification of acceptance: Feb. 28, 2019
Early registration: March 31, 2019

KEYNOTE SPEAKERS

Martin Bichler, Technical University of Munich
Michal Tzur, Tel Aviv University

CONFERENCE REGISTRATION FEES

TSL member (early): USD 400
TSL member: USD 450
Non-TSL (early): USD 425
Non-TSL: USD 475

Student (early): USD 225
Student: USD 275
Accompanying person: USD 175

SOCIAL AGENDA

A welcome reception is planned on July 15 in our beautiful SkyLounge. On the second conference day, we plan to have an excursion to the Wachau region including wine tasting and a tour to a baroque monastery. The conference dinner on July 17 will be served at Vienna City Hall. The conference ends with farewell drinks on July 18 in our SkyLounge.
